ABOUT PYC

From Australia and China

The PYC family is made up of two entrepreneurs (Julia & Mike), Julia comes from China, Mike comes from Australia. They want to make a real difference for the planet together.

Everyone knows that plastic causes devastation to the environment — especially for marine life! The Internet and social media are full of heartbreaking photos that show the terrible effects that plastics have on nature. But what can we actually do to change things? This is where the idea came about.

Our history

1998 set up first owned factory in China to make recycled printing packaging.

2000 set up second owned factory in China to make reusable bags.

2013 started our cooperation with Alibaba group and involved in exporting business.

2016 set up Xiamen branch, mainly focus on research of eco-friendly products.

2020 registered as PYC Australia in Melbourne to provide better service for AU market.

Planting Trees

When you purchase PYC eco friendly products, you are helping Compensation CO2 plant trees. For us, reducing our carbon footprint and benefitting the health of our beautiful planet is crucial. Since the beginning of this venture, over 20,000 trees have been planted in China and Australia, — thanks to you!

Our commitment

We are committed to use sustainable materials and manufacturing practices, customizing wide range of biodegradable products, providing high-quality packaging also recycled /compostable idea for promotional for small business owners, entrepreneurs, start-ups, marketers and more.

We like to look at the overall impact of the products we are manufacturing, you can follow our FB, till now we started providing over 5000 brands on non-plastic packaging, green promotional gift for boosting their brands. We also view success as helping our brands take steps to reduce their waste.

We need you all in this journey and make us success.

Donations

Since PYC beginnings, we have made numerous donations to various organizations for fundraising events or volunteer tourism. Notably, we donated 15,000 cotton bags to non-profit organization in AU and China, and 30,000 PLA doggy bag and 4,000 refillable bottle for low-income families.

Together, for an eco-friendly lifestyle!

PYC Australia, it's more than a brand, it's a lifestyle. Let's reduce our environmental footprint together by eliminating plastic waste and planting trees!

Becoming eco-responsible takes a few simple steps and that's what we propose. Join PYC journey!

We offer eco-conscious, durable, and design-led packaging solutions tailored for modern skincare and personal care brands.

From refillable bottles to portable, on-the-go formats, our packaging is created to enhance both sustainability and everyday usability.

This catalogue features a curated selection of PYC's innovative packaging solutions, including refillable systems, dual- and triple-chamber packaging, freshness-protection ampoules, and powder-to-liquid delivery systems — designed to enhance sustainability, preserve formula integrity, and elevate product performance.

As trends evolve rapidly, we also support custom development. If you don't see exactly what you're looking for, simply share a reference image with us — our team will be happy to assist.

Most items have a standard MOQ of 5,000–10,000 units. Feel free to screenshot any product and reach out to us for more details.
